The Slovak Matchmaking Fair is the largest and most prestigious international event of the Slovak Investment and Trade Development Agency, which has been merging Slovak and foreign entrepreneurs through bilateral talks for 13 years, focusing on the presentation of partnership offers, free production capacities or the creation of joint ventures, presenting the economic potential of the Slovak Republic.

Main focus

- intelligent Industry
- innovation
- automation
- robotics
- automotive
- e-mobility
- smart city

Why should you participate

- individual pre-scheduled **B2B meetings**
- the chance to find new business opportunities from Slovakia and abroad in one day and in one place
- attractive accompanying program - **professional panel discussions** on industrial megatrends and innovations
- direct feedback on your requests and questions, individual consultations
- event with the history of 13 years of satisfied participants

Pre-planned B2B meetings

The matchmaking event is a quick and easy way to meet potential cooperation partners. You will have 20 minutes for the discussion with your potential partner according to the time schedule.
