

Belarusian delegation had negotiations at SARIO

Thursday, 14. October 2010
SARIO

On 14th of October 2010 the Slovak - Belarusian round table in cooperation with OBEO Minsk and the Embassy of the Republic of Belarus in the SR took place on the premises of SARIO agency with the aim to establish new contacts between Slovak and Belarusian businessmen. The advantages of investment and doing business within the Free economic zone "Grodnoinvest" were presented during the meeting as well as the Belarusian companies "Beltelinvest", "Strojbytz-ZOV", "Navigator" and also there was the space created for business to business negotiations of Slovak and Belarus companies.

Belarusian party was interested in closer cooperation with businessmen of new EU member states including the Slovak Republic mainly in the field of joint-venture creation and companies with foreign capital in chemical and crude oil products, heat exchanger equipment, sanitary-technical products and sanitary hygienic products, logistics centers creation, energy production equipment and metal processing.
