

Business mission of Slovak companies

Wednesday, 16. June 2010
Banja Luka

On the invitation of the Chairman of the Parliament of the Republic of Serbia - Federation of Bosnia and Herzegovina (RS), the business mission of the Slovak companies to Banja Luka took place on June 14 - 16 2010. The business mission was prepared by the SARIO agency in cooperation with the Embassy of the SR in Sarajevo, Cabinet of the Chairman of the Parliament of the RS, Ministry for economic relations and regional cooperation of the RS and the Economic Chamber of the RS.

The representatives of the Slovak business subjects visited on June 15, 2010 Igor Radojicic, Chairman of the Parliament in the presence of Jasna Brkic, Vice President of the Government of the RS and the Minister for the Economic relations and regional cooperation Jasna Brkic and Mrs. Aida Bogdan, Secretary of the Minister for Regional Cooperation. The opportunities for economic cooperation in the field of supply of technologies for construction of water power plants, technologies supplies and equipment for power production (photovoltaic, wind energy, biomass combustion, technology for construction of underground gas storage etc.) were at the center of the discussion. Four Slovak companies (DALI MN Senec, BRDOINVEST Banská Bystrica, Z&L Partner Trenčín a VÚJE Trnava) were presented from the field of energy sector, priority of the SARIO Foreign Trade Section. During the discussion was presented as well the project of the International Cooperation Day and 4th Slovak Matchmaking fair.

The program continued with the presentations and bilateral negotiations of Slovak and Bosnian subjects. The Ministry of Transportation of the RS presented its projects from the field of transportation infrastructure, the Ministry of Economy, energy and development of the RS presented projects from gas and petrochemical industries and electro energy together with the option for cooperation with Slovak business subjects.

Slovak companies went to see production area of the Slovak company SHP Celex, Banja Luka. The representatives of this company presented their experience while investing and doing business in the RS.

25 Slovak business subjects took part in this mission while the SARIO Foreign Trade Section presented other 123 Slovak companies for mutual cooperation in different sectors.
