

Calendar of events I Dubai Expo Slovakia

Friday, 12. November 2021

SARIO Agency, as a partner of the Ministry of Economy of the Slovak Republic in the Expo Dubai project, will implement a large part of the business program for ministries and entrepreneurs until March 2022.

The role of SARIO will be the presentation of the Slovak business and investment environment, providing B2B partners, business program according to participants' requirements, supporting the use of cooperation platforms of the organizer and other foreign partners, creating platforms for networking not only in B2B but also in B2G sphere and of course delegation in the territory. Representatives of the agency are ready to cooperate in compiling an attractive business program and its implementation, which will result in the establishment of new business relationships.

As part of the Programme, 10 theme weeks run throughout the six months of Expo 2020 Dubai, exploring humanity's most critical challenges and opportunities through a cultural, social, environmental and economic lens. Join the making of a new relationship as you engage in conversations around questions that will shape the future of our planet in the Slovakia Pavilion.

SARIO business missions | Theme | Date

The program of business missions to Expo Dubai consists of attendance of B2B negotiations with foreign companies, as well as of accompanying events (attendance of a conference, visit to a fair/exhibition, etc.), depending on the character of the business mission.
