

China Investment Forum

Wednesday, 10. November 2010
Prague

The Slovak Investment and Trade Development Agency (SARIO) as the partner of the China Investment Forum 8.-10.11.2010 in Prague, participated in the event, which aim is to become a continuous platform actively supporting economic dialog, investment flow and trade development between Europe and China by connecting representatives of both sides and providing first-hand information.

Within the forum, on Wednesday, 10th November specific presentations were organized solely for the Chinese businessmen, who are interested to penetrate to the European markets through the gateways of Central and Eastern Europe (CEE) and are interested in investment opportunities in the region.

On this day, the agency SARIO was represented by Lucia Guzlejova, Juraj Klacansky and Timea Balazova, whose goal was to present the Slovak Republic and use this networking opportunity to connect with potential Chinese investors. Project manager Timea Balazova has introduced the Slovak investment environment and opportunities for Chinese companies within the panel section organized for the investment promotion agencies of the CEE.
