

Your bridge
to business in
Slovakia

Profile

SARIO is your one-stop shop!

About us

The Slovak Investment and Trade Development Agency (SARIO) is a governmental investment and trade promotion agency of the Slovak Republic.

The agency was established in 2001 and it operates under the Ministry of Economy of the Slovak Republic.

SARIO aims to attract investment to the Slovak Republic and support export activities of Slovak companies on the global market.

Our success stories include companies — Jaguar Land Rover, KIA, PSA, Amazon, Volkswagen, Johnson Controls, Embraco, Samsung, Honeywell, and others.

**ALL OUR SERVICES
ARE FREE OF CHARGE!**

Foreign Trade Services

SARIO ensures identification of potential suppliers and subcontractors by matching your sourcing and procurement needs with the capabilities of Slovak producers. Networking and matchmaking events are one of the tools we use on a regular basis.

"We highly appreciate the cooperation with SARIO. The agency supports us continuously in getting new useful business contacts in Russia, Poland, the Czech Republic and Balkan countries."

Jozef Polačko, Nexis Fibers
Sales manager

Our services are here for you

If you are looking for

- Slovak supplier or subcontractor
- Information about Slovak export/trade environment
- Sourcing opportunities
- Forming a joint venture, production cooperation or other forms of partnership with a Slovak partner

Services for Exporters

- Information on foreign territories
- Customized search for foreign partners
- On-line database of business opportunities

Investment Services

We provide in–depth information about Slovak business environment, industry opportunities, complex information on setting up a business, site selection assistance as well as real estate services. The consultancy on state incentives is one of integral parts of SARIO’s agenda.

"We have chosen Slovakia and the city of Prešov for our investment mainly because we have found here a flexible and constructive dialogue at the governmental and also local levels. We assume that Honeywell will be highly competitive in this environment."

—
Peter Bracke, Honeywell
CFO of Transport systems Division

Services for Potential Investors

- Investment environment overview
- Sector and regional analyses
- Assistance with implementing investment projects

Innovation Support

SARIO considers the promotion of innovation and R&D to be one of the means of ensuring a sustainable competitiveness of the Slovak Republic.

"The most valuable asset of the Slovak R&D environment is its people, the level of their knowledge and education, diligence, responsibility and flexibility. Moreover they are ready to learn and work with new technologies, improve in languages and communication with foreign partners."

Marian Jamrich, TECHNODAT, CAE–systémy
Managing Director

SARIO provides

- Support activities for development and popularization of Slovak innovations and R&D environment
- Establishment of relations with domestic and foreign well-established innovative companies
- Interconnection of Slovak R&D capacities with industrial production and investors' needs in order to transfer leading innovative technology processes closer to production praxis
- Encouragement to foreign investors to bring investments with substantial R&D components to the SR
- Ecosystem analysis of local investment opportunities as well as domestic and foreign investors in order to support acquisitions and joint ventures projects
- Specific information from the field, in order to obtain capital and foreign markets penetration
